

# The many ways to use these images!

This file contains 3 different images. One style is round – choose colored or black and white. OR choose a simpler rectangle style which is easier on ink usage and easier to cut.

## Easter Egg Messages

Since kids need a constant reminder what Easter is truly about, give them a reminder each time they find one of those fun plastic Easter Eggs! Place a little picture of our Resurrected Lord in each plastic egg.

Choose one of the 3 downloads or use them all so the pictures inside the eggs will be a new surprise!

## Make Stickers

Print them onto sticker paper so the kids can have them as stickers.

## Snack and Cupcake Toppers!

The colored images would also make great cupcake or snack toppers! Just tape the top half of a toothpick to each and stick them into the top of a cupcake, cookies, brownies, cheese, sandwiches, and other snacks!

## Decorations!

Used them as decorations, too!

**Be creative! They are very versatile!**
